E-Learning Business Continuity Awareness

Course Description

This online self-paced course has been designed for individuals that require an awareness of business continuity. The course provides delegates with the basic knowledge of what business continuity is and why it is important. They will also be presented with key terminology used in the industry and real life case studies.

Course Programme

- What is business continuity?
- Types of Incidents
- A World Without Business Continuity
- Business Continuity Saves the Day
- Barriers to Business Continuity
- Top 10 Benefits of Business Continuity
- Industry Terminology
- Case Studies
- What part can you play?
- Knowledge Check

Course Objectives

This course aims to provide delegates with an awareness of:

- What business continuity is
- The types of incidents that could disrupt your organisation
- The benefits of business continuity
- Key terminology used in the business continuity industry
- How you can contribute to the implementation of business continuity within your organisation

Course Duration

This course takes approximately 1-2 hours to complete. Delegates will have 30 days access to the course, allowing plenty of time to work through at their own pace and fit learning around other commitments.

The course is available online via our learning management system, allowing delegates to log in anywhere, as long as they have an internet connection. Whilst we recommend completing the course on a laptop or computer for the best learning experience, the content can also be accessed via the SAP Litmos - Learning System App on mobile phones and tablets, so learners can study at work, home or on the go.

Who Should Take This Online Course?

Individuals that require an awareness of business continuity, which will help them to support the implementation of business continuity within their organisation.

E-Learning Business Continuity Awareness

Certificate of Attendance

Delegates will be able to download their electronic certificate upon completion of the course. There is also the option to upgrade your certificate to a TQUK endorsed hard copy certificate for an additional £30 (plus P&P for overseas learners).

Packages

- 20 users = £1,500 + £50 per additional user
- 50 users = £3,000 + £40 per additional user
- 100 users = £5,000 + £30 per additional user
- 200 users = £8,000 + £20 per additional user
- 300 users = £9,900 + £5 per additional user

Organisations will receive 12 months to sign up all users.

Please note costs don't include VAT.

FAQs

- **How long will it take to complete the course?**

The course is self-paced and takes approximately 1-2 hours to complete.

- **Does the course need to be completed within a certain period of time?**

Delegates will receive 30 days access to complete their online training from the moment they sign up.

- **Is there an examination?**

There is a short final assessment at the end of the course, which will test everything the delegates have learnt on the course. There are also quick quizzes throughout the course to check their knowledge as they work through the content.
