Supply Chain Resilience

Course Description

This course is about understanding supply chains, how they are managed and how to add resilience measures to them, and therefore, the business.

It is about how to engage with those responsible for procurement and their teams to embed business continuity and resilience into the business supply chain.

Course Objectives

- Understand supply chains and their component parts
- Develop value for money supply chain resilience solutions
- Understand how to engage with staff responsible for awarding more resilient contracts
- Create Top Management reports such that the report supports the concepts of building supply chain resilience

Who Should Attend?

- Business continuity practitioners
- People who source and buy products or services
- People who write procurement contracts and service level agreements
- Supply chain managers

Course Delivery

This BCI training course is delivered as a one day, classroom based course by an approved BCI tutor.

Recommended Reading

It is advisable for delegates to be familiar with the Good Practice Guidelines 2018 prior to attending the course. This can be purchased from the BC Training website.

Certificate of Attendance

A certificate of attendance will be issued to delegates following the completion of the course.

Continuous Professional Development (CPD)

Completing this course will contribute 8 hours towards your Continuous Professional Development.

Supply Chain Resilience

Supply Chain Resilience

FAQs

- **What are the timings of my training course?**

Your course will start at 9am. Courses are scheduled to finish at 5.00pm, however, timings are indicative and exact timings may vary due to student experience and their interest in certain topics.

- **Will lunch and refreshments be provided?**

Yes. There will be two 15 minute breaks where tea and coffee will be provided. A hot meal will be provided at lunchtime. There is always a choice of food, however if you have specific dietary requirements please let us know.

- **Is accommodation included?**

No. Our courses are non-residential, however we can help with local recommendations.

- **What do I need to bring?**

Everything you will require will be provided on the day. If you have a copy of the Good Practice Guidelines 2018, please take it along to the course with you. You will also be provided with a folder containing the course materials which you can take away with you at the end of the course.

If you have further questions or would like an official quotation please contact a member of the BC Training Team:
