The Great Return: How to Restart Businesses from COVID-19 Lockdown

Course Description

This online session will look in detail at what you should consider as we move to the next stage of the COVID-19 pandemic. The session is broken down into topics exploring what should be considered as the ongoing situation with COVID-19 develops. The session will include information on the indicators for return, the practicalities of reopening a building, employee expectations and Health & Safety. There will also be a Q&A section for delegates to ask any questions they may have.

The session has been written by and will be presented by David Hutcheson MBCI, who has been involved in pandemic planning for over 10 years. David was voted CIR Industry Personality of the Year in 2010. He has been an adviser to many small and multi-national organisations and has also worked in the public sector.

Course Objectives

- Understand the areas you should consider as we move to the next stage of the COVID-19 pandemic
- Be able to identify the indicators for returning to work
- Be able to effectively plan for returning to work
- Be aware of the practicalities of reopening a building
- Understand some of the expectations employees will have
- Understand the logistics of the working environment following a pandemic

Who Should Attend?

This session is aimed at those wishing to raise their awareness of the pandemic and return to work steps, particularly those involved with their organisation's response to COVID-19.

Course Delivery

This training course is delivered as a live online session by Pandemic Planning expert, David Hutcheson MBCI. There will be an opportunity for attendees to ask questions at the end of the session.

Course Cost

The cost of this online training session is £99 plus VAT.
