

CUSTOMER TESTIMONY

1. Why did you choose BC Training?

BC Training was offering an in-person course at a facility in London with other BC professionals which also aided in networking.

2. Why did you choose to take a business continuity course?

After being involved with business continuity for several years I decided it was time to obtain a professional qualification to support my existing knowledge.

3. How was your experience with the BC Training team? E.g. the time between enquiring about a course and booking.

The booking process was convenient and simple. Taking only a few interactions to obtain the details of the course and register on it.

4. Did the tutor's knowledge and presentation skills meet your expectations?

Yes, the tutor was clearly knowledgeable and experienced adding clear additional value to the BCI's course.

CUSTOMER TESTIMONY

5. How has the training contributed to your career goals? How have you implemented practices you have learnt into your job?

As previously mentioned I was practising BC prior to this course however, it has provided me further insight into the intricate details of BC as well as allowing me to demonstrate my knowledge of the GPG which is recognised globally.

6. Would you recommend BC Training? If so, why?

Yes, I would happily recommend BC training. The course was insightful and clearly well organised. Additionally, the interactions with the organising staff pre and post-course have been exceptional.

7. Is there anything else you'd like to mention?

The course was located at an appropriate venue where a sufficient lunch was provided.
